answered question	197
skipped question	9

29. Agricultural Production – I am:

		Response Percent	Response Count
Willing to grow some of my own food at home and have the resources, time, and knowledge to act on this immediately.		54.8%	102
Willing to grow some of my own food at home but need resource and technical support.		28.0%	52
Willing to grow some of my own food at home, however, time and resources make it impossible to do so.		22.6%	42
I am not willing to grow some of my own food at home.		4.8%	9
answered question			186
skipped question			20

30. Economy – Increased local food production and consumption is known to have multiple positive effects on local economies. For example, capturing even a small percentage of the \$11 million Kohala residents annually spend on food could go to supporting more businesses and farms in our community. With this understanding, I am:

		Response Percent	Response Count
Willing to buy locally produced foods if it's locally available, even if it is higher in price to similar products sold.		33.7%	63
Willing to buy locally produced foods if it's locally available and comparable in price.		59.9%	112
Willing to buy locally produced foods but my budget doesn't allow me to do this, even with the high cost of gas it is worth it for me to go outside of my community to get cheaper and more diverse food products.		13.4%	25
Not willing to buy locally produced food because quality, choice, and price is of more importance in my decisions to buy food for my family.		1.6%	3
		answered question	187
		skipped question	19

31. Health & Education—given that 39% of the population is overweight and this leads to other health problems for children and adults—encouraging healthy eating and exercise habits is important. My willingness to teach, encourage, and support our children and families to develop these habits is...

		Response Percent	Response Count
Agree and willing to take action		62.0%	119
Agree and willing but need more information and support to do effectively		24.5%	47
Agree and willing but time and limited budget makes this extremely difficult to put in action		15.1%	29
Don't agree		0.0%	0

Page 1, Q1. The North Kohala food self-sufficiency vision from the CDP is “The Kohala community will produce 50% of the food it consumes.”

Is the above vision meaningful to you?

1	i think its better to produce our food ourselves, then to import everything. makes us more independent	Jul 21, 2012 12:46 PM
2	got to set goals	Jul 21, 2012 11:50 AM
3	because in emergency situations we wouldn't be so reliant on outside fod sources/supply	Jul 16, 2012 12:33 PM
4	safety	Jul 16, 2012 11:48 AM
5	lots of fertile land in Kohala, best use in my opinion is to produce food here in the community.	Jul 16, 2012 10:30 AM
6	i like buying local, and growing what i can. Being remote area the possibility of shipping being stopped.	Jul 16, 2012 10:03 AM
7	food self sufficiency gets us healthier by lowering the amount of GMO food we consumer and lowering the agrabusiness hold over out lives and health	Jul 16, 2012 9:49 AM
8	food self sufficiency gets us healthier by lowering the amount of GMO food we consumer and lowering the agrabusiness hold over out lives and health	Jul 16, 2012 9:46 AM
9	it is important to grow locally because it's better economically, and it's health wise	Jul 15, 2012 10:55 AM
10	we are able to choose between healthy (non gmo) and untested (gmo) crops and livestock. grow locally for better.	Jul 15, 2012 10:40 AM
11	can't depends of world economy	Jul 15, 2012 10:30 AM
12	if people can be self sufficient like my parents and grandparents, the household cost of living will be less.	Jul 15, 2012 10:13 AM
13	The fact above state the obvious in addition to more local hire and economic development. the Concern is what kind of agriculture? Organic is the only option or we get into environmental problems	Jun 29, 2012 2:16 PM
14	It's about ohana	Jun 28, 2012 4:54 PM
15	My father was a farmer and grew food to eat-vegetables.	Jun 26, 2012 8:31 PM
16	because food sustainability will keep the culture in kohala	Jun 26, 2012 8:23 PM
17	It will help make us independent of outside food sources. It will benefit local farmers. It will hopefully bring prices of food down.	Jun 26, 2012 7:52 PM
18	It is a start to move in a safe direction.	Jun 26, 2012 7:46 PM
19	To rely on imported food seems wrong when food can be grown so easily here.	Jun 26, 2012 6:58 PM
20	better food, Ag land in product	Jun 26, 2012 6:26 PM

Page 1, Q1. The North Kohala food self-sufficiency vision from the CDP is “The Kohala community will produce 50% of the food it consumes.”

Is the above vision meaningful to you?

21	food soveighty all of reasons below...	Jun 26, 2012 6:19 PM
22	For the exact reasons listed below. It is better to be connected to the ground beneath our feed for both mind and body.	Jun 26, 2012 5:55 PM
23	Because we need locally grown food without all the chemicals.	Jun 26, 2012 5:42 PM
24	We can grow food we have the land need the workers.	Jun 26, 2012 5:32 PM
25	I think its healthier to eat food grown where you lived.	Jun 26, 2012 5:14 PM
26	It would mean there be more farmies and more locals buying local products.	Jun 26, 2012 4:58 PM
27	Yes more local provided	Jun 26, 2012 4:52 PM
28	It is obviously better to eat fresh food that doesn't need to be transported. It would be less waste of a lot of things.	Jun 26, 2012 4:43 PM
29	This would bring the community together and make the community healthier.	Jun 26, 2012 4:36 PM
30	Keep Kohala, Kohala. FArm and Fish	Jun 26, 2012 4:28 PM
31	yes you can't really get what you want or know what in your food unless you do it yourself.	Jun 26, 2012 4:22 PM
32	I believe in being involved in the food we eat on a very personal level. I want to grow my own food for personal satisfaction and for the health of my family.	Jun 26, 2012 4:06 PM
33	No reliancee on outside biased national corps, etc. on food we don't need.	Jun 26, 2012 3:59 PM
34	sound beneficial to fit in changed economic condition	Jun 25, 2012 1:41 PM
35	sound beneficial to fit in changed economic condition	Jun 25, 2012 1:37 PM
36	i would like to eat more home grown food.	Jun 25, 2012 1:32 PM
37	because i believe/hope maronis district has the capability/determination to accomplish his goal.	Jun 25, 2012 1:25 PM
38	decreases dependence on external provider, effective use of our rich soild and asset	Jun 25, 2012 1:17 PM
39	decreases dependence on external provider, effective use of our rich soild and asset	Jun 25, 2012 1:17 PM
40	security delicious nutritions	Jun 25, 2012 12:57 PM
41	not reasonable or realistic	Jun 25, 2012 12:42 PM
42	we do not have to depend on outside sources for food	Jun 25, 2012 12:33 PM

Page 1, Q1. The North Kohala food self-sufficiency vision from the CDP is “The Kohala community will produce 50% of the food it consumes.”

Is the above vision meaningful to you?

43	Yes this vision above is meaningful to me because the money spent on the locally grown food would stay in the comm. and the food is natural.	Jun 25, 2012 12:17 PM
44	It is a bit vague. Be more specific.	Jun 25, 2012 10:19 AM
45	eating good fresh food, local economy, support in nurturing our lands.	Jun 22, 2012 5:55 PM
46	great idea, good for the community, makes us unique	Jun 22, 2012 5:42 PM
47	Seems Unrealistic.	Jun 22, 2012 5:29 PM
48	Only way to control our daily costs to enable us to live on a budget as we age.	Jun 22, 2012 5:09 PM
49	I feel its important to consume fresh produce where you live.	Jun 22, 2012 4:18 PM
50	I'm 64 traveling long distances to get food might be more difficult as one gets older.	Jun 22, 2012 4:09 PM
51	Because you live better!	Jun 22, 2012 4:04 PM
52	Yes, because the more crops we produce on our own will help us save money.	Jun 22, 2012 4:03 PM
53	I believe that Kohala is a place that is able to produce an amazing amount of food. If the community gathers together, gets informed and organized, we may even be able to do more than 50%.	Jun 20, 2012 9:28 PM
54	I am FULLY supportive of growing and eating locally. It supports our local farmers, provides food safety, insures fresh food, keeps Kohala green, keeps our dollars local, prevents shipping and the associated pollution and waste, etc.	Jun 18, 2012 5:30 PM
55	I like to know where the food grows and support local growers	Jun 16, 2012 1:41 PM
56	include more focus on organic.	Jun 14, 2012 1:38 PM
57	it's fundamental to life and our survival.	Jun 14, 2012 1:30 PM
58	buy local support community...	Jun 14, 2012 1:18 PM
59	The need to be providing local food is necessary for the survival of commities everywhere.	Jun 14, 2012 1:08 PM
60	Very useful. I also invision that circulation and networking of farmers. What better way of connecting with your food.	Jun 14, 2012 1:02 PM
61	it is our future	Jun 14, 2012 12:52 PM
62	I ike the idea of supply local food purchase and self-sufficiency. We also need the best soil on island.	Jun 14, 2012 12:50 PM
63	reasonable but open box	Jun 14, 2012 12:46 PM

Page 1, Q1. The North Kohala food self-sufficiency vision from the CDP is “The Kohala community will produce 50% of the food it consumes.”

Is the above vision meaningful to you?

64	We need to do this and to inspire other communities.	Jun 14, 2012 12:44 PM
65	We have good soil, air and water. When we consume, food from the land we live on, we thrive. Burn less fossil fuels.	Jun 14, 2012 12:38 PM
66	All of above (food security, economic security etc) plus nutrition and reduce climate change from fossil fuels.	Jun 12, 2012 4:19 PM
67	Were able to do it. It would make our community healthier and more integrated.	Jun 12, 2012 4:11 PM
68	I understand the premises upon which this goal rests. Relates to my personal goals, ideas, principles.	Jun 12, 2012 4:07 PM
69	safe sufficiency is always good, keep money in the community. unites the community.	Jun 12, 2012 4:04 PM
70	To promote positive community cooperation and economic security by stabilizing costs and quality.	Jun 12, 2012 3:56 PM
71	I believe the overall health of the community improves with more locally grown food.	Jun 12, 2012 3:44 PM
72	Getting "off" industrial, packaged, shipped and wasteful food sources is vital to a sustainable and healthy future. Eating local only makes common sense.	Jun 12, 2012 3:43 PM
73	Necessary and makes sense.	Jun 12, 2012 3:28 PM
74	It is critical for health, cost and security, all building to quality of life.	Jun 12, 2012 3:21 PM
75	Importing that amount of food is completely unacceptable. It goes against all of the current sustainable thinking.	Jun 12, 2012 3:13 PM
76	Well, we need good healthy organic food for everyday.	Jun 12, 2012 3:11 PM
77	Whats better than fresh local produce, so much healthier.	Jun 12, 2012 2:18 PM
78	Healthier, fresher food especially vegetables.	Jun 12, 2012 2:15 PM
79	This is right here in Kohala	Jun 12, 2012 2:10 PM
80	Our ancestors were self sufficient, we should be too. They survived for a thousand years without depending on imported foods.	Jun 12, 2012 2:03 PM
81	It would be good to be self-sufficient.	Jun 12, 2012 2:00 PM
82	Need the co to be aware weed resource.	Jun 12, 2012 1:46 PM
83	Sustainability is very important on an island that depends on food import.	Jun 12, 2012 1:43 PM
84	Because we can eat fresh and healthy food and good to have more job here in Kohala.	Jun 12, 2012 1:41 PM

Page 1, Q1. The North Kohala food self-sufficiency vision from the CDP is “The Kohala community will produce 50% of the food it consumes.”

Is the above vision meaningful to you?

85	Fresher veggies	Jun 12, 2012 1:36 PM
86	It is important to know how to grow the vegies and care for them.	Jun 12, 2012 1:32 PM
87	Educatin, Health protection of our stewardship, etc.	Jun 12, 2012 1:17 PM
88	Supporting our local farmers also allows then to make a living.	Jun 12, 2012 1:15 PM
89	Sustainability is very important, the large bugs in most of our food.	Jun 12, 2012 1:10 PM
90	Keeping it local means the money stays in the community. And its much easier to shop in town, if the prices are cheap.	Jun 12, 2012 1:08 PM
91	All districts should try to produce some of its own goods.	Jun 12, 2012 1:02 PM
92	Producing our own food means eating healthy.	Jun 12, 2012 12:59 PM
93	What impact would it on bugs, mites, pests and animals with potential harm to productivity.	Jun 12, 2012 12:48 PM
94	It's very important for us to know we have good growth and what we can to with it here to support kohala and other's.	Jun 12, 2012 12:37 PM
95	It would be nice to feed out community with what we grow.	Jun 12, 2012 12:33 PM
96	It's good to know where our food is coming from, and that it is fresh and efficient.	Jun 12, 2012 12:32 PM
97	Selfsufficiency is a great thing for every household to have.	Jun 12, 2012 12:26 PM
98	It does take much reasing knowing we live on a island and most of us aren't here on their 2nd home with the income to fly out in an emergency.	Jun 12, 2012 12:26 PM
99	It's fresh!	Jun 12, 2012 12:20 PM
100	It's important to eat fresh, locally grown food.	Jun 12, 2012 12:20 PM
101	Fresher and cheaper products without preservatives to extend shelf life.	Jun 12, 2012 12:14 PM
102	We live on a island, and this island can grow forrd year round.	Jun 12, 2012 12:09 PM
103	Sustainability is always something to be pursued.	Jun 12, 2012 12:03 PM
104	We should be a selfdsufficeincy community and state.	Jun 12, 2012 11:58 AM
105	More local food.	Jun 12, 2012 11:36 AM
106	Because I believe that we should be able to produce 100% so we do not have to import foods from other countries. It should be fresh and we should try to be self-sufficient.	Jun 12, 2012 11:33 AM
107	We have good soil here, it is so important to know how we can support our self	Jun 12, 2012 11:26 AM

Page 1, Q1. The North Kohala food self-sufficiency vision from the CDP is “The Kohala community will produce 50% of the food it consumes.”

33	fresh, taste	Jun 5, 2012 10:42 AM
34	to support local farmer	Jun 5, 2012 10:23 AM

Page 1, Q10. How much of your monthly food budget would you be willing to spend in North Kohala on North Kohala Grown Food?

1	I would love to get veggies, fruits, fish/meat/eggs...etc...	Jun 26, 2012 7:15 PM
2	Depends on what i can get to eat.	Jun 26, 2012 6:19 PM
3	depends on whats available	Jun 26, 2012 5:32 PM
4	all if possible	Jun 22, 2012 5:55 PM
5	As much as possible.	Jun 14, 2012 1:13 PM
6	All the above.	Jun 14, 2012 12:55 PM
7	Almost all of it. \$900	Jun 14, 2012 12:38 PM
8	\$1000+	Jun 12, 2012 3:28 PM
9	800	Jun 12, 2012 3:24 PM
10	All my money if it saves me money.	Jun 12, 2012 12:48 PM
11	1000+	Jun 12, 2012 12:15 PM
12	Up to \$1000.00	Jun 12, 2012 11:33 AM
13	\$650	Jun 5, 2012 11:31 AM

Page 1, Q11. Please choose and rank where would you like to buy North Kohala grown or ranched food.

1	would like ALL options	Jul 16, 2012 9:49 AM
2	would like ALL options	Jul 16, 2012 9:46 AM
3	Grow my own	Jun 29, 2012 2:16 PM
4	local farm market open 7 days per wk, with some imports	Jun 26, 2012 6:58 PM
5	Chicken	Jun 22, 2012 4:04 PM
6	Whenever I have a choice, I choose local.	Jun 14, 2012 1:13 PM
7	Farmers Market!	Jun 12, 2012 12:59 PM
8	I would sure like to be able to do this (CSA).	Jun 12, 2012 12:26 PM
9	Raynard/Marylous	Jun 12, 2012 12:20 PM
10	personally grown (it does have it's costs)	Jun 5, 2012 11:23 AM

Page 1, Q12. Please choose and rank the main reasons you don't buy more locally grown or ranched food in North Kohala.

1	some use (veg?) in stores- not much else (meats, etc)	Jul 16, 2012 12:33 PM
2	think of local markets in thailand/india: piles of food on market. I would buy breadfruit a lot, if more available.	Jul 16, 2012 10:16 AM
3	not available	Jul 16, 2012 9:49 AM
4	not available	Jul 16, 2012 9:46 AM
5	if available in stores, please mark.	Jul 15, 2012 10:40 AM
6	haven't found the variety we need to live off	Jul 7, 2012 5:28 PM
7	working hours conflict with the farmers market	Jun 26, 2012 8:38 PM
8	I have home delivery once a week. I purchase and grow organic.	Jun 26, 2012 7:29 PM
9	Organic	Jun 25, 2012 1:32 PM
10	we grow or raise most of our own	Jun 22, 2012 9:36 PM
11	we need to eat	Jun 22, 2012 5:09 PM
12	local store does not provide enough organic food.	Jun 22, 2012 4:09 PM
13	We grow a lot of our own food & vegetables	Jun 20, 2012 9:28 PM
14	I eat a gluten free diet	Jun 14, 2012 1:30 PM
15	main veggie	Jun 12, 2012 4:32 PM
16	Haven't developed the new buying habit.	Jun 12, 2012 3:56 PM
17	Grow own food.	Jun 12, 2012 3:28 PM
18	I grow a lot of my own.	Jun 12, 2012 3:21 PM
19	Prefer island grown fish, vegetable, fruits, dairy, meats.	Jun 12, 2012 1:17 PM
20	Hours of operation (stores/ farmers market)	Jun 12, 2012 1:15 PM
21	Too expensive in stores	Jun 12, 2012 12:59 PM
22	Variety	Jun 12, 2012 12:32 PM
23	We need more products, dried beans, etc.	Jun 12, 2012 12:09 PM
24	Local food is the best made in Hawaii. For real not just labeled.	Jun 12, 2012 11:33 AM
25	i grow my own and only buy what i don't grow.	Jun 11, 2012 7:52 PM
26	generally not enough local food available locally	Jun 5, 2012 2:27 PM

Page 1, Q13. Which of these is the most important factor in choosing where you buy food?

1	selected all of the above	Jul 21, 2012 12:46 PM

Page 1, Q18. Do you think that if you and other people in the community spent more on locally grown food it would help grow the economy in North Kohala?

1	hopefully employ a few more people, save money on travel to waimea/kona	Jul 16, 2012 12:33 PM
2	possibly, depending on how the farmer then spends the money like if he puts money in saving and pays more in taxes then the money doesn't come back	Jul 16, 2012 10:16 AM
3	It would help mainly because here "monkey say monkey do" start a trend!	Jun 26, 2012 8:23 PM
4	Home grown food will help feed families without improving the economy.	Jun 26, 2012 6:58 PM
5	Don't know how many are willing.	Jun 26, 2012 4:22 PM
6	I see many farmers importing farm help or offering internships. I would like instead to see local people get this work. i	Jun 22, 2012 5:55 PM
7	wE HAVE SO MUCH EXPERIENCE WITH THIS IN THE PAST.	Jun 22, 2012 5:09 PM
8	possibly foster AG tourism???	Jun 14, 2012 1:30 PM
9	Absolutely yes. economy of scale as more farmers/ranchers produce more.	Jun 12, 2012 3:56 PM
10	But we can try!	Jun 12, 2012 1:15 PM
11	The competitive people.	Jun 12, 2012 1:02 PM
12	If North Kohala spend only locally, money should circulate in the community.	Jun 12, 2012 12:48 PM
13	N. Kohala has a long history w/agriculture and even longer with gathering it world only serve us to re-connect with that way to living.	Jun 12, 2012 12:09 PM
14	Definitely.	Jun 12, 2012 11:33 AM
15	in general. i cannot yet see how that can happen so that is it economically sustainable for farmers/growers	Jun 5, 2012 2:27 PM
16	should help	Jun 5, 2012 2:19 PM
17	not particularly	Jun 5, 2012 9:47 AM

**Page 2, Q22. From Question 21- you answered: [Q21]
Why?**

1	know where its coming from, support local business	Jul 16, 2012 12:35 PM
2	support local!	Jul 16, 2012 11:55 AM
3	less travel	Jul 16, 2012 11:38 AM
4	product quality. help local economy	Jul 16, 2012 10:45 AM
5	prefer to support local economy than Agra Business, keeps \$ in community-- food is fresh and better for our health	Jul 16, 2012 9:53 AM
6	increase work force, keep \$\$ in community, educate towards a better alternative life-style.	Jul 15, 2012 10:49 AM
7	aren't supporting ship delivered food	Jul 7, 2012 5:34 PM
8	so we never have to leave, aren't supporting other communities, big business and other nightmares	Jul 7, 2012 5:34 PM
9	For all the obvious reasons	Jun 29, 2012 2:34 PM
10	ideal	Jun 28, 2012 4:58 PM
11	Sustainability, encourage a smaller simpler business model vs corporate food production	Jun 26, 2012 8:41 PM
12	closer to home	Jun 26, 2012 8:32 PM
13	To help the goal of sustainable and also to teach the household of sustainable.	Jun 26, 2012 8:25 PM
14	Trying to grow it on my own and its getting better.	Jun 26, 2012 7:31 PM
15	The closer to the farm the fresher.	Jun 26, 2012 5:58 PM
16	healthier better for our community	Jun 26, 2012 5:46 PM
17	Farm and Fish purchase everything else.	Jun 26, 2012 4:30 PM
18	cause we can hunt and gather everything else ourself.	Jun 26, 2012 4:25 PM
19	Nutritious and delicious food.	Jun 26, 2012 4:02 PM
20	as i have said before the food would be local therefore North Kohala economy would grow	Jun 25, 2012 12:21 PM
21	it makes sense for health, taste and sustainability.	Jun 22, 2012 9:45 PM
22	meat, fruit, veges, in kohala	Jun 22, 2012 4:57 PM
23	So our household food would be 50% grown and 50% store bought.	Jun 22, 2012 4:11 PM
24	It's fresh, it's local, it supports the community and I like self-sufficiency	Jun 21, 2012 3:39 PM

**Page 2, Q22. From Question 21- you answered: [Q21]
Why?**

25	I eat from my garden so 40% or less would be purchased	Jun 20, 2012 9:34 PM
26	So I know what I am eating and it is good for me and the planet	Jun 19, 2012 9:37 PM
27	Because I would like to support local farmers and the local economy and have locally sourced organic food.	Jun 18, 2012 6:54 PM
28	Some of the foods I enjoy are not grown or sold locally at reasonable price.	Jun 18, 2012 4:39 PM
29	Cultural specialties not avail, oil, grain	Jun 16, 2012 1:59 PM
30	A win-win for everyone expect the large AG. grocery corps and shipping and petro companies.	Jun 14, 2012 1:34 PM
31	Support local economy, best qality and local food. Less processed.	Jun 14, 2012 12:52 PM
32	makes sense	Jun 14, 2012 12:49 PM
33	Home Food	Jun 12, 2012 4:34 PM
34	Health, environmental reasons.	Jun 12, 2012 4:09 PM
35	Pride of community building and friendly connections with neighbors.	Jun 12, 2012 4:01 PM
36	Support local economy!	Jun 12, 2012 3:33 PM
37	Some items (olive oil, etc) are not possible to come from Kohala.	Jun 12, 2012 3:24 PM
38	Support Kohala Businesses.	Jun 12, 2012 2:02 PM
39	Don't have to travel out of town for grassful beef or local grown poultry.	Jun 12, 2012 1:30 PM
40	Not all food is perishable, still need non-perishable foods for convenience and emergencies.	Jun 12, 2012 1:28 PM
41	Support local busines, further food.	Jun 12, 2012 1:12 PM
42	Don't live N. Kohala	Jun 12, 2012 1:05 PM
43	Support local farmers we can barely get funds as it is we may as well keep what ever capital we have here.	Jun 12, 2012 12:50 PM
44	Location	Jun 12, 2012 12:44 PM
45	Still not sold on buying meat from places unknown.	Jun 12, 2012 12:34 PM
46	Sometimes, there is just other things that we need to get else where because no one has it.	Jun 12, 2012 12:30 PM
47	Not all food can grow in North Kohala like apples!	Jun 12, 2012 12:22 PM
48	I would have a direct knowledge of who, where, and how farmers/hunters are making my food.	Jun 12, 2012 12:13 PM

**Page 2, Q22. From Question 21- you answered: [Q21]
Why?**

49	Convinient and fresh.	Jun 12, 2012 11:42 AM
50	To support our community.	Jun 12, 2012 11:38 AM
51	So I can have gas and keep my money in Kohala.	Jun 12, 2012 11:37 AM
52	I would love to purchase local foods as meat or coconut oil that was local to supplement our own garden and fruit production.	Jun 12, 2012 11:28 AM
53	don't like traveling outside of kohala	Jun 11, 2012 8:03 PM
54	at least 50%, perhaps more if it can be done	Jun 5, 2012 2:29 PM
55	fresh	Jun 5, 2012 11:02 AM
56	to save on a trip out of the community	Jun 5, 2012 10:37 AM
57	If food is available, don't need to drive to Waimea	Jun 5, 2012 9:53 AM

Page 2, Q26. How often do you buy directly from local farmers, ranchers or fishermen?

1	this question overlaps with previous	Jul 21, 2012 12:42 PM
2	don't buy, but i'll trade with them	Jul 16, 2012 11:31 AM
3	would like to increase this number	Jul 16, 2012 9:53 AM
4	Fisherman-use to buy but cost is too high now	Jun 26, 2012 5:46 PM
5	location	Jun 25, 2012 12:36 PM
6	we grow our own food...veggies, fruit, eggs, lamb	Jun 22, 2012 9:45 PM
7	yes	Jun 22, 2012 4:06 PM
8	I would love to visit all of the local farms. Its important for me to know where it comes from.	Jun 14, 2012 1:34 PM
9	whenever available	Jun 14, 2012 12:49 PM
10	CSA	Jun 12, 2012 3:54 PM
11	Quality	Jun 12, 2012 2:11 PM
12	Availability of a variety of item at Takata Store.	Jun 12, 2012 2:02 PM
13	More fresh vegetables.	Jun 12, 2012 1:49 PM
14	Availability in market. One-stop-shop!	Jun 12, 2012 1:44 PM
15	Quantity in purshasing products, meats, fruits, vegetables.	Jun 12, 2012 1:40 PM
16	A little market where all of the local products can be availabl to the public. One-stop-market.	Jun 12, 2012 1:30 PM
17	Sage farms	Jun 12, 2012 1:19 PM
18	If farmers that grow food and sell to stores would sell at farmers markets too.	Jun 12, 2012 1:02 PM
19	The quality of food.	Jun 12, 2012 12:55 PM
20	Every farmers market and when ever they come selling.	Jun 12, 2012 12:50 PM
21	Variety of choices.	Jun 12, 2012 12:39 PM
22	Fresh and local!	Jun 12, 2012 12:35 PM
23	Distance to go! Gas price is high. Home drop off off food or have a farmers market closer to where we live (Kaiwihae). We need farmers market at the harbor!	Jun 12, 2012 12:30 PM
24	Varirty; Delivery to the store and not at the Saturday Markets.	Jun 12, 2012 12:16 PM
25	More fresh vegetables.	Jun 12, 2012 12:10 PM

Page 2, Q26. How often do you buy directly from local farmers, ranchers or fishermen?

26	Depends on the availability.	Jun 12, 2012 11:53 AM
27	Usually given. Don't need to buy.	Jun 12, 2012 11:42 AM
28	Forced to. Nah! Availability.	Jun 12, 2012 11:37 AM
29	Quality products and if there were more varieties. i.e. local coconut oil, cashews or sustainable flours, tapioca or rice flour.	Jun 12, 2012 11:28 AM
30	i barter fresh fish for my veggies and fruits	Jun 11, 2012 8:03 PM
31	as much as can	Jun 5, 2012 11:10 AM
32	when the product is on site	Jun 5, 2012 10:37 AM

Page 2, Q27. Other than price, what is one thing that would get you to buy more North Kohala grown food?

1	bigger choices in the local store and should be more organic	Jul 21, 2012 12:50 PM
2	again redundant-- would buy more local food if it was more available and better identified as local	Jul 21, 2012 12:42 PM
3	close to home	Jul 16, 2012 12:35 PM
4	EBT isn't valid	Jul 16, 2012 11:55 AM
